The standard required will be at the absolute discretion of the adjudicator but will include:

- A demonstration of adequate preparation
- An authority of performance
- A performance with a level of maturity commensurate with a national final competition of this age group.

If the adjudicator considers that sufficient standard has NOT been reached by any competitor, then NO nomination will be made.

SOCIETY NOMINATION

Each Society, which is a financial member of PACANZ, may nominate **ONE Troupe****, who shall be selected by the adjudicator, based on a performance at the Member Society Competition.

The adjudicator will determine that the Troupe has displayed a sufficient standard of performance to competently represent that society at the National Troupe Finals.

The standard required will be at the absolute discretion of the adjudicator but will include:

- A demonstration of adequate preparation
- An authority of performance
- A performance with a level of expertise commensurate with a national final competition.

If the adjudicator considers that sufficient standard has **NOT** been reached by any Troupe, then **NO** nomination will be made.

The nominated Troupe is responsible for paying the entry fee to the National Young Performer Awards, which is **\$250.00 incl gst**.

* A professional is someone whose primary employment is being paid to perform or work in the performing arts. For the present purposes, being a student constitutes “primary employment” and therefore is not seen as a Professional. For the Student who receives payment for participation, either teaching or performing, this should not impose professional status on a person if it is by way only of an occasional bonus or benefit rather than their principal means of earning a livelihood. The exception to this is a participating teacher who may perform.

** As some Societies split their dance genres and run large Competitions with different Judges and/or at different times of the year, they will be able to nominate more than one Troupe to represent their Society.

** If a Society has 25 or more Troupes that enter and compete for a Troupe Nomination, then they are entitled to offer an additional Nomination. This applies to every multiple of 25 Troupes that enter and compete for a Troupe Nomination. Therefore –

1-24 Troupes = 1 Nomination

25 Troupes = 1 additional Nomination

50 Troupes = 2 additional Nominations

75 Troupes = 3 additional Nominations
